

LAGOIS DRAFTING & CONSTRUCTION INC.

On behalf of the Children's Hospital of Eastern Ontario
and the Ottawa Chapter of The Compassionate Friends,
I want to thank you for your generosity in helping to construct "the Arbour".

This beautiful arbour marks the entrance to The Butterfly Garden,
a special place for families to honour children of all ages who have died.

The Arbour, leading to The Butterfly Garden,
is located on the crest of the hill behind CHEO.
Every June, there is a special Balloon Launch
where families can celebrate the life of a child who has died
and send a message tied to a balloon up into the sky.
It is a time of deep emotion and healing.

The Arbour also invites families, friends and CHEO staff
to come to The Butterfly Garden in times of stress and reflection.

Your generous and kind contribution has made such a difference.
It will be honoured by families and friends for many years
as they walk up the path, through the arbour and to garden.
As our plaque says: "For the Love of Our Children".

*Chris - a very
special "thank you"
to Jennie*

Again, thank you so very much.

Dennise Albrecht
Director, Partnerships and Advocac, CHEO
Member, The Compassionate Friends

You will be receiving a charitable income tax receipt from the CHEO Foundation. If you
have not received one by September,
please contact me (613-737-7600 X 2220; albrecht@cheo.on.ca).
