Re: Lagois Golf Tournament in Support of Ottawa's Ronald McDonald House

Once again, I am at a loss for words to adequately thank you Herb, Connie and everyone at the Lagois office for a wonderful day of golf.

Barb and I love coming out the tournament...everyone is so much fun and having so much fun and the camaraderie amongst all those attending is infectious. We are also quite overwhelmed with the generosity shown to our House by those attending and those who could not join in the fun..

It is a special day for us in so many ways, not the least of which is the friendship that has grown over the years with everyone at Lagois. Your continued support of Ronald McDonald House is so much appreciated and simply to say "Thank You" somehow doesn't quite hit the mark. However a heartfelt thank you from all of us at the House is the best we can do!

The money raised from this year's tournament is going into installing a new floor in the kitchen which is badly in need replacement. Truly Lagois Drafting and Construction is leaving it's mark on the House!

Thank you, thank you, thank you for your enthusiasm, support, generosity and most of all your friendship.

All the best,

Carol
